I would sanction all the proposals shown in Col 1 of the tabular statement at foot of page 7 & 8th of page 8 of these notes & Col 2 in the case of the Kadur Distt. And apply the same principle (Standard of 300 houses & 1000 population) to the Bangalore Distt. The idea of taking up road side villages in Shimoga merely because they are road side may be dropped for the present. After this, the several Distts may be dealt with separately instead of all being clubbed together in one file.

To B. K. Venkatavaradaiengar Esqr
The Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

With reference to Government official memo No. J 1943-50 Leg 16 of 03-04 of the 18th January 1905, calling for proposals as to the villages which may be constituted as "Unions" I have the honor to state that under para 4 of the rules issued under the Local Board Regulation II of 1902 the places which are now either the head-quarters of a Taluk or which do not possess a population of 3000/- inhabitants cannot be constituted as Municipalities. For the working of the rules under village Sanitation Regulation, it is necessary to maintain some Conservancy establishment for which the District Board in its present financial position, is unable contribute. I therefore propose that all villages with a population of 1000 -

inhabitants be made Electors to Common
rights and until these Electors have a
voice in the manner in which the number may
be increased

A list of such villages as per the
Census of 1901 is herewith annexed

I have the honor to be,

Sir,

Your most obedient servant

H H Sparkes

ORDER THEREON.—Government consider that all villages comprising more than 300 houses or 1,000 inhabitants may be constituted village unions and that the proposal of the Shimoga District Board to constitute into unions road-side villages irrespective of the limit of number of houses or population should be reserved for future consideration. They accordingly sanction, with effect from 1st July 1907, the formation of unions in such villages included in the lists received with the above as come up to the standard above mentioned. The needful notification will be published in the Gazette. The Presidents of the District Boards of Bangalore and Kadur, who have not submitted their proposals for the formation of unions, are now requested to submit lists of villages containing the prescribed number of houses or population, the Presidents of other District Boards forwarding supplemental lists of such villages, if any, in view to their being constituted into village unions.

2. Government are also pleased to sanction the introduction into the village unions now formed of a tax on houses including shops at the rates prescribed by Government in their Order No. 3878-85—L. F. 109-03, dated 8th April 1904, and to direct that the realizations therefrom be credited to the funds of the respective unions with effect from 1st July 1907, from which date the revenue from the taxes on oil mills and carts alone in these villages will be credited to Provincial Funds as heretofore. As the revenue from house tax in the unions now formed cannot be expected to be included in the District Fund budgets for 1907-08 due in the Secretariat on 1st March 1907, the Presidents are requested to submit, so as to reach the Secretariat on or before the 1st April 1907, statements showing the estimated income from this and other miscellaneous items of revenue and expenditure required on account of establishments, etc., for each union.

3. The proposals for the appointment of members have been received only in the case of a few unions, but as, owing to the time that has elapsed, they may now require revision either on account of the change of residence of the members or other cause, the Presidents of the several District Boards are requested to submit at an early date complete lists of members in the accompanying form for each of the unions.
